Entrepreneurship Development and Innovation Institute-TN

Three days “E-Commerce” Training Programme

Entrepreneurship Development and Innovation Institute (EDII-TN), Chennai is organizing a Three-Day training programme on ““E-Commerce” training programme from **16.06.2026 to 18.06.2026** (3 days) Time: 10.00 AM to 5.00 PM at EDII-TN Campus, Chennai – 600 032.

Programme Overview

- The rapid growth of online commerce has opened significant opportunities for entrepreneurs and MSMEs to build direct relationships with customers. The Direct-to-Consumer (D2C) model enables businesses to sell products directly to customers without intermediaries, improving margins, brand control, and customer insights.
- This three-day hands-on programme is designed to help entrepreneurs understand how to start, structure, and scale an e-commerce or D2C business using practical frameworks and structured planning.
- The programme focuses on clarity, execution readiness, and sustainable growth strategies rather than theoretical concepts.

Key Learning Highlights

Participants will learn how to:

- Understand different D2C business models and identify the right fit
- Validate product-market alignment before launching online
- Select appropriate e-commerce platforms based on business goals
- Create effective product listings and pricing strategies
- Structure operational workflows and customer support systems
- Plan marketing, customer acquisition, and retention strategies
- Develop a clear growth and scaling roadmap for their brand

The sessions include guided exercises, structured templates, case discussions, and practical mapping activities to ensure participants leave with implementable strategies.
